ISO9001

“Quality equals the life”, that is our principle.

## Who are we?

Kons Light is a professional company who is supplying the lighting projects solution. This is distinctive that we have our own factory and with 12 years of experience in producing LED lighting products.

Our main products include outdoor lightings, commercial lightings, and industrial lighting products that are mainly used in Complex Architectural Lighting and Landscape Lighting including municipal roads, office buildings, shopping malls, schools, hospitals, hotels, gardens, solar light and so on. We do not only have advanced R&D, testing and production equipment, but also the experienced team and skilled workers. We have CCC, CG, GS, SASO, VDE, and ROHS certifications and have got more than 36 patents for designing. Our products have also been sold to 45 countries worldwide.

## SERVICE STRENGTH

We have more experienced service team:

PM - 10 people

Purchasing Department - 10 people

Engineers & Designers - 18 people

Quality Control - 15 people

Finance Department - 8 people

Workers - more than 1530 people

For many years, we are focused in providing good quality lighting solution to customers.

We insist in providing the best products to customers.

We insist in made-to-measure more suitable change plan for customers.

We strive to provide customers the cost efficient products.

We will provide good quality products, technology and service on lighting projects.
